Mastizaade 2 is an upcoming Indian Bollywood sci-fi romantic-drama film, starring Sunny Leone in the titular role. Produced by Pritam Chakraborty, the film will be directed by Pooja Bhatt, and also stars Rajkummar Rao, Irrfan Khan, Arjun Rampal, Pankaj Tripathi and a host of others. The film is set in Delhi in the aftermath of the 1984 anti-Sikh riots. The film's music is to be composed by Pritam Chakraborty. On 26 December 2016, Pooja Bhatt tweeted that the production was in advanced stages, and that the lead actor was finalizing his role. The film has been filming since early 2016 in Delhi. Principal photography has been completed on several days of the month of June in the Indian capital. The film's release date is 29 October 2017. The story revolves around three lonely women with the same dream of a family life: a glamorous wife and two kids. "The film tries to bring attention to the deep-rooted social issues like these. It is also an ode to the rebel soul in every woman," Pooja told IANS here. Pooja further said: "Mastizaade 2 explores the emotional side of relationships. It is all about a young man who is caught in the vortex of turbulent emotions. He also finds a ray of hope through his wife, who is a strong independent woman." (Full story) While the film is entitled as a sequel to Jism 2, Pooja clarified that no 2 is written on the title, and that it is f678ea9f9e
